What is Heritage Health?
Heritage Health is Nebraska’s Medicaid Managed Care program. It gives you one health plan for your physical health, behavioral health, and medicines. It also offers extra benefits and services.

Can I Change My Health Plan?
Yes. You can change your health plan during Open Enrollment. This year Open Enrollment is November 1-December 15, 2018. You can change by phone, online, or mail. Your new plan will be effective January 1, 2019.

Look for more information in the mail from Heritage Health about the three plans you can choose from, or go online to www.neheritagehealth.com to see what each plan offers.

If you are happy with your current health plan you do not have to do anything. You will stay with your current plan.
